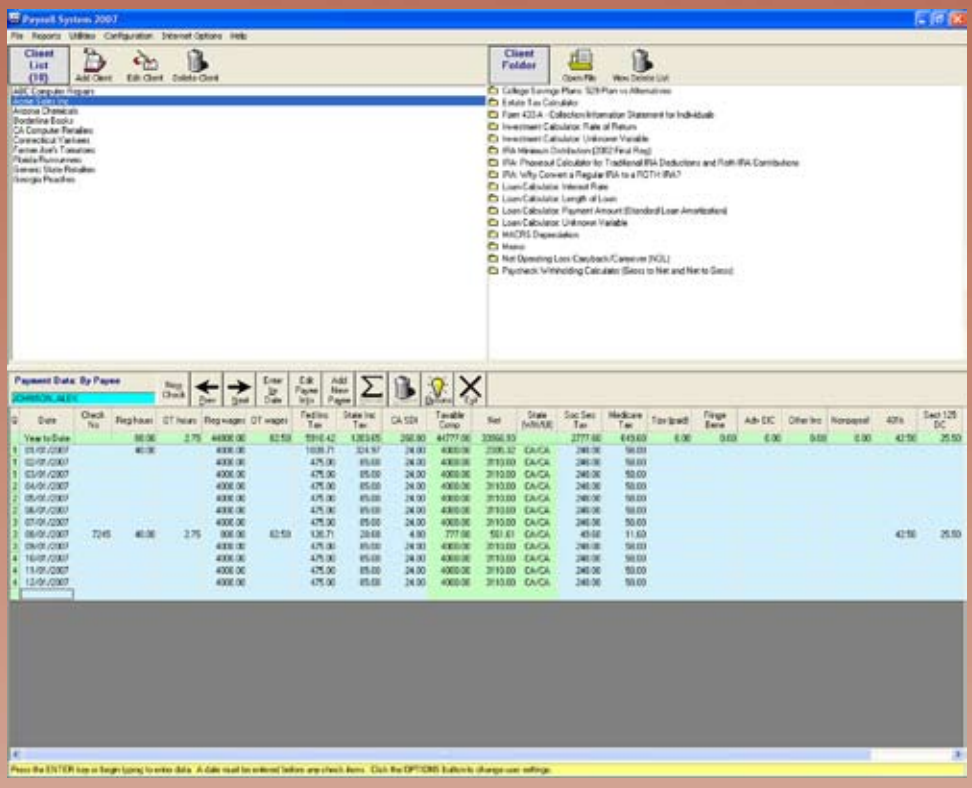
LivePayroll

Process payroll, print paychecks & stubs, and file all payroll tax returns.



LivePayroll is the newest addition to the CFS product family. It integrates with the other parts of Payroll System, and allows the user to process active payroll and print paychecks.

941/940 After-the-Fact Payroll is included with this program at no extra cost.

Features

- Print real returns and paychecks in minutes with an intuitive and easy-to-use interface that is common to other CFS programs.
- Process live payroll or enter paychecks after-the-fact with CFS 941/940 (included).
- Automatically calculate wages based on the employee's annual salary or hours worked and hourly rate, federal withholding, state withholding, local withholding, Social Security, Medicare, and other payroll deductions.
- Enter payroll data on a daily, quarterly, monthly or paycheck basis.
- Customize income, tax, and deduction items for each employer.
- Print paychecks on blank check stock, preprinted checks, or as pay stubs.
- Print paychecks on blank check stock for all employees with the MICR font, a $139 value included at no charge.
- Produce payroll for an unlimited number of employers with an unlimited number of employees.
- Import QuickBooks® after-the-fact paycheck data to save data entry time.
- Use all the clients, forms and features of CFS 941/940, included with your purchase at no extra charge.
