

W2/1099

W2/1099 is a fast, easy and economical way to produce information returns. The forms it generates are government-approved; W2/1099 is even approved to print W2's and W3's on regular printer paper!

W2 and 1099 forms can also be filed electronically to the SSA or IRS via the E-File add-on. Records are tested prior to transmission to ensure accuracy and compliance.

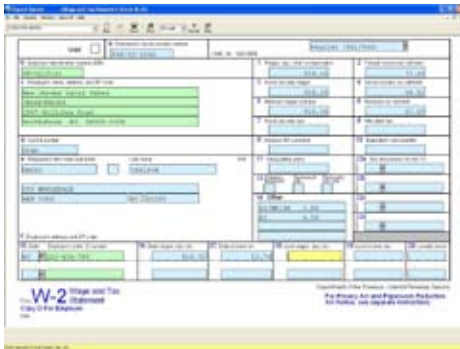

Highlights

- Prepares unlimited number of returns for multiple employers/payers
- Free downloadable updates throughout the year
- Easy-to-use interface that is common to other CFS programs
- Data flows between other Payroll System programs
- Instructional videos guide you through major functions

New for 2011

- Support added for the Tax Relief/Job Creation Act of 2010 including the reduced 4.2% employee Social Security rate
