

# QUICK REFERENCE GUIDE

Do you ever need to look up per diem rates for a traveling tax client? Or don't remember what the mileage rate was five years ago?

**Quick Reference Guide** solves this problem.

Using the Folio® search engine, finding what you are looking for—whether it's tax-related tables, charts, addresses, or other useful information—is quick and easy. The program is also included free with the purchase of Tax Research.

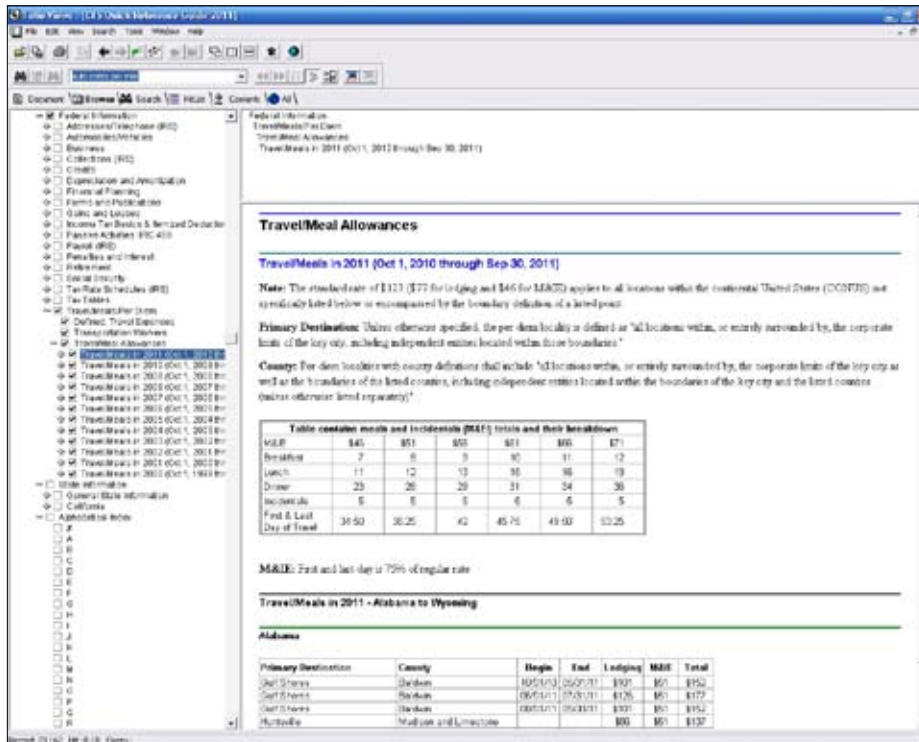

## Highlights

- Easy-to-use interface similar to Tax Research
- Internet updates provided
- Exemptions and Standard Deductions (1989-current)
- Tax Rate Schedules (1993-current)
