

# TAX RESEARCH

**Tax Research** contains a wealth of timely, relevant tax information—either on CD or online. Tax Research features an easy-to-use, multi-pane interface. Information can be retrieved instantly, either by browsing the table of contents pane or by using the program's powerful search engine. Even the most complex searches are made simple with customized search templates. Find the information you need, when you need it.

## Highlights

- Available on CD or online
- Online version updated weekly; CD version updated quarterly
- Custom search templates
- Saved searches and bookmarks
- Powerful yet easy-to-use search engine
- Includes CFS Quick Reference Guide - tax tables, charts, information, etc. used by tax professionals

## Special Bundle Offer

Can't decide between the CD or online subscription? You don't have to! For \$199 (first-time users) or \$189 (renewals) you can get four quarterly Tax Research CDs and a 12-month subscription to Tax Research Online! That's only \$50 more than the regular price.
