

LIVEPAYROLL

CFS LivePayroll will help you process payroll, create paychecks and stubs either on checks or via **direct deposit**, and file all payroll tax returns.

You'll be printing real returns and sending paychecks in only minutes with an intuitive and easy-to-use interface that is common to other CFS programs.

The 941/940 after-the-fact program is included with LivePayroll.

Highlights

- Process live payroll
- Enter payroll data on a daily, quarterly, monthly or paycheck basis
- Customize income, tax, and deduction items for each employer
- Produce payroll for an unlimited number of employers with an unlimited number of employees
- Direct Deposit

New! Direct Deposit

- Pay employees electronically
- Transmit payment for your clients' employees or your own
- Low one-time setup cost: \$19.95 per customer, plus \$14.95 for each additional employer
- Powered by NatPay, a leading 3rd-party payment processor

Per-Transaction Fee

54¢ regular
59¢ expedited

Process Active Payroll with Paper Checks and/or Direct Deposit

Direct Deposit features

- Four funding options covering between 1-4 business days of turnaround time
- Powered by National Payment Corporation (NatPay), which processes more than \$12 billion in employee direct deposits annually
- Transaction history reports in both Payroll System or NatPay web portal
- Reminder and alert system
- Instructional videos and help files

Features

- Send paychecks on blank check stock or via direct deposit
- Includes MICR font, a \$139 value included at no charge
- Workers' comp tracking and reporting
- Includes CFS 941/940 after-the-fact payroll
- Automatically calculate wages based on the employee's annual salary or hours worked and hourly rate, federal withholding, state withholding, local withholding, Social Security, Medicare, and other payroll deductions
- Easy-to-use interface
- Data flows between all Payroll System programs

Funding Options	Submit Payroll by	Cost per Transaction
4-day Regular ACH	Monday, if payday is Friday	\$0.54

CFS TAX SOFTWARE, INC.

941/940

CFS 941/940 prepares after-the-fact payroll and related forms, and fully integrates with other CFS Payroll System components such as W2/1099.

As its name suggests, 941/940 prepares forms 940, 941, 943, 944, 945 and summary reports.

Information can be input manually, rolled over from the prior year, or imported from other software.

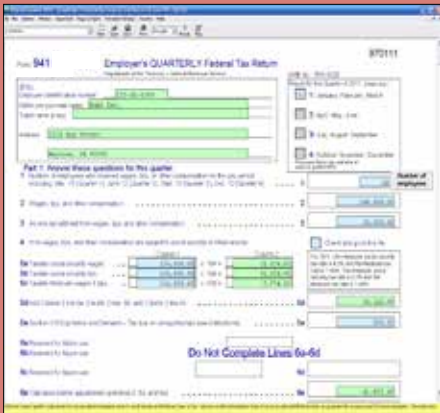

Highlights

- Intuitive and easy-to-use; print real returns in minutes
- Enter payroll or 1099-MISC data on a quarterly, monthly or paycheck basis or import from QuickBooks®
- Automatically calculate Social Security and Medicare
- Quarterly/yearly totals accumulate/flow to federal and state forms
- Prints Forms 940, 941, 943, 944, 945 and summary reports

Highlights (continued)

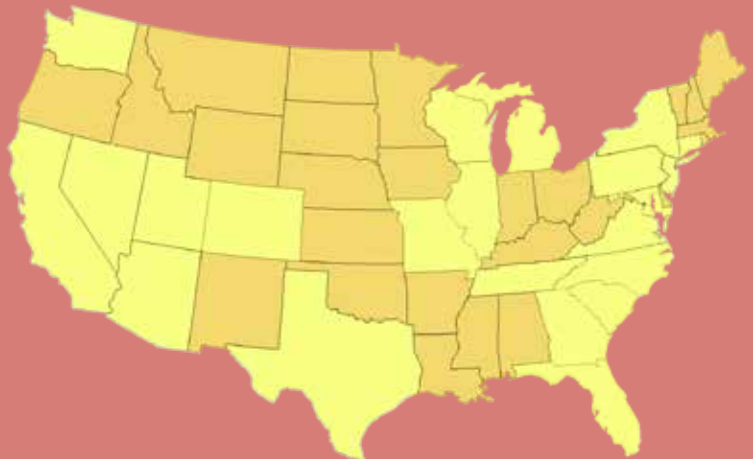

- Customize income, tax, and deduction items for each employer
- Produce payroll for an unlimited number of employers with an unlimited number of employees
- Import QuickBooks® after-the-fact paycheck data to save data entry time
- Easy-to-use interface
- Paycheck withholding calculator

Process After-the-Fact Payroll

A screenshot of the CFS 941/940 software interface. The window title is '941 - Employer's QUARTERLY Federal Tax Return'. The form is for 'Form 941 - Employer's Quarterly Federal Tax Return' for the quarter ending 12/31/2010. It shows various input fields for employer information, payroll data, and tax calculations. A 'Do Not Complete Lines 6a-6d' warning is visible at the bottom.

Features

- Fully integrates with CFS LivePayroll, W2/1099 and Payroll Corrector
- 941 Schedule B calculates automatically
- Federal/State payroll deposit record
- Invoice statement, client instruction letter and filing addresses
- Prints summary reports
- Speeds preparation, as data is carried to future quarters & years
- Direct form fill-in option
- Includes Payroll System General Fill-In Forms
- Paycheck Withholding Calculator

- CFS carries specific forms for this state
- Use CFS Generic Quarterly Printouts

W2/1099

W2/1099 is a fast, easy and economical way to produce information returns. The forms it generates are government-approved; W2/1099 is even approved to print W2's and W3's on regular printer paper!

Forms can also be filed electronically via an e-file add-on that is sold separately.

Highlights

- Prepares unlimited number of returns for multiple employers/payers
- Free downloadable updates throughout the year
- Easy-to-use interface that is common to other CFS programs
- Data flows between all Payroll System programs
- Instructional videos guide you through major functions

“Your software almost makes processing 1099s pleasant! If only the IRS did not require them at all...”

**Pamela Neale
Manchester, MO**

Process W2 & 1099 Information Returns

Department of the Treasury - Internal Revenue Service
For Privacy Act and Paperwork Reduction Act Notice, see separate instructions.

Prepares

CFS TAX SOFTWARE, INC.

PAYROLL CORRECTOR

Payroll Return Corrector will assist you in correcting information returns, using the same intuitive interface common to CFS software.

The program shares a client database with other CFS Payroll System programs, saving you data entry time. Clients will also roll over year to year.

Online instructional videos, in-program help, and field-specific help will guide you through the process.

Highlights

- Easy-to-use interface common to other CFS programs
- Online updates provided
- Instructional videos guide the user through common program functions
- In-program help, including field-sensitive help, provided
- Screen can be zoomed in to magnify hard-to-read government forms
- Clients roll over year to year
- Built-in backup/restore utility

Highlights (continued)

- As with all programs, backed by free tech support and a 30-day money-back guarantee
- Label/Envelope Maker
- Import clients from CFS programs or other popular software
- Export clients to text file
